

Dear Easter Egg hunter,

We need your help!

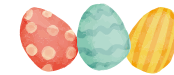

The Easter Bunny came and left Easter eggs!
But they've all be stolen by the Masked Bunny.
But where did he hide them?

We need your detective skills to find
the Easter treasure!

Find the clues to solve the mystery
and save the Easter treasure!

Clue N° 1

His hidding place is big and hollow.
The masked rabbit hid in it when it wasn't filled up
so he wouldn't leave any trace in the house.
The eggs could well be there, nice and clean.

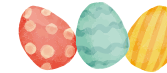

Clue N°2

Had the masked bunny already left?

Maybe that after a quick wash, the masked bunny
wanted to warm up!
Look for a place that is cold in summer,
but warm in winter.

Clue N°3

The masked Bunny knows that you're on its (fluffy)
tail. He's getting better and better at hiding.
Can you guess what his next hidding place was?

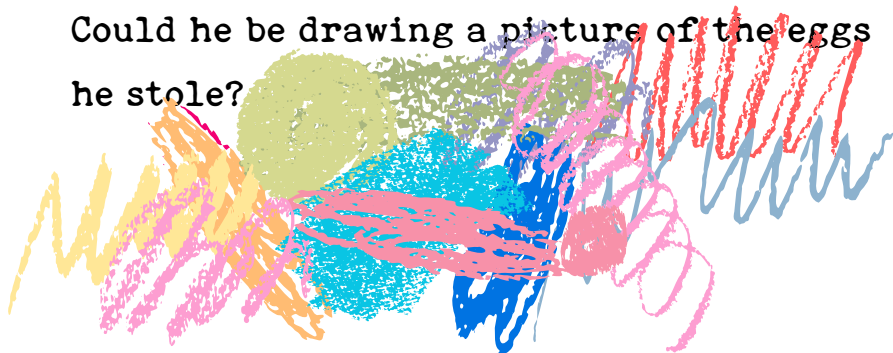

I have four legs but cannot walk. Where you
lounge, I'll carry you while you rest.

Clue N°4

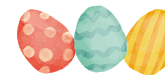

The masked Bunny loves colours.

Could he be drawing a picture of the eggs
he stole?

Clue N°5

Have you looked behind your favourite

detective you make!

light, through me things can be seen
